Statement Selection Section

If you have multiple accounts, select which accounts you would like to convert to e-statements. Click **Register**.

The Movement Bank statement agreement will come up. You must click **Agree** after you read it to proceed. You will then see this message:

After completing this process, you will receive two emails from Movement Bank. The first one will notify you that the registration request has been received successfully and is pending approval from the bank's site administrator. The second email will inform you that your registration request has been approved. After you receive the approval email (which usually takes one business day), you can log in Online Banking to retrieve the statements by going to Settings → Statements. You will also receive ongoing e-mails each time statements are produced for your account(s) so that you can log in and view, download and/or print them.

Congratulations! You have now set up eStatements for your Movement Bank account(s)!
